Environmental Tectonics Corporation  
125 James Way • Southampton, PA 18966

## Directions From Pennsylvania Turnpike

Pennsylvania Turnpike to Exit 343. Take Rte 611 North and stay in right lane. Approximately 200 yards on 611 North you will turn right onto Mill Road. At the next traffic light, approx. 1 mile, continue straight. However, Mill Road turns into Warminster Road. Continue on Warminster Road for another 1.8 miles. Warminster Road dead ends at County Line Road. Turn right here. Continue on County Line Road for approximately 2 miles. You will cross Newtown Road (traffic light), Davisville Road (traffic light). The 2nd light after Davisville Road is James Way where you will turn left. ETC is on the right, so stay in the right lane, and is about 4 buildings up. You'll see the ETC plaque in the center of the lawn; the driveway is beyond that. If coming to the office, take driveway up, following the Visitors sign.

## Directions From New Jersey Turnpike

Take Exit 351 - Pennsylvania Turnpike across river into Penna. Take 2nd exit, Route 1. Take Route 1 South, a short distance. Take Route 132 West, about 5 miles to Route 232 (Second Street Pike here in Southampton), turn left. At the first traffic light, Knowles Avenue, make a right. This road curves and eventually becomes James Way. You will cross Jaymor Road, and the second driveway on your left is ETC. A sign by the drive says Industrial Instruments which is a part of ETC. Follow the driveway up.

## Coming From Center City

Take 95 North to Street Road Exit - 132 West. Take 132 West approx. 9 miles to Route 232 (Second Street Pike), and make a left. At the first traffic light, Knowles Avenue, turn right. This road curves and eventually becomes James Way. You will cross Jaymor Road, and the second driveway on your left is ETC. A sign by the drive says Industrial Instruments which is a part of ETC. Follow the driveway up.

## Directions From Philadelphia International Airport to ETC

Upon exiting Airport, take I-95 North. Continue North on I-95 for approx. 25-30 miles. Get off at the Street Road Exit (Rte. 132 West). At the top of the ramp turn left. Continue on Street Road approx. 9 miles. You will pass through Feasterville, and then come into Southampton. Take Rte. 232 South (turn left) at traffic light, (Rte. 232 also called Second Street Pike) Go to the traffic light and turn right onto Knowles Avenue. Continue on Knowles Avenue and behind the shopping center for approx. 1/2 mile. This road will merge with / turn into James Way. As you start to go down a slight incline, ETC is the second drive on the left. Take the drive up to the front of the building. It faces the PA turnpike. Visitor's parking is at the lobby entrance.
